

The Regional Municipality of York
**NOTICE OF PUBLIC CONSULTATION CENTRE
CLASS ENVIRONMENTAL ASSESSMENT STUDY**

**Road Crossing of Highway 404
Between 16th Avenue and Major Mackenzie Drive
Town of Richmond Hill and City of Markham**

The Regional Municipality of York is undertaking a Municipal Class Environmental Assessment (Class EA) Study for a proposed road crossing of Highway 404 between 16th Avenue and Major Mackenzie Drive. Collector road crossings are local roads that cross 400 series highways. This additional link in the road network will help manage increasing traffic resulting from continued growth and will better serve all modes of transportation.

The Class EA Study is being conducted in accordance with Schedule 'C' of the Municipal Class EA document (October 2000, as amended). The Class EA Study will take into consideration prior studies and official plans, assess alternatives and their effects on the environment as a part of identifying recommendations for the crossing.

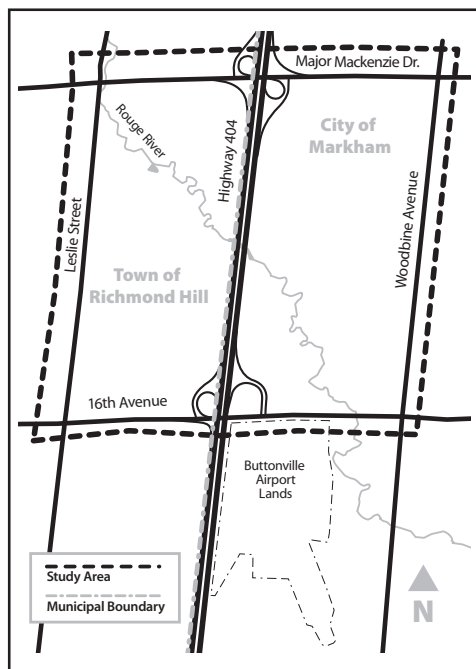

Public consultation is an important part of the Class EA Study. Anyone who is interested has the opportunity to get involved and provide input on preliminary alternatives. Details of the first Public Consultation Centre are below. Please let us know if you require accommodations to participate in this consultation. An accessible version of this notice is also available upon request.
